

Corporate Profile

**J-LINE SHIPPING
AND
ALPHA PEARL OF THE ORIENT MARITIME INC.**

About Us

- ▶ J-LINE Shipping (Philippines), established in 2000, is a multidimensional shipping company with expertise in STS operations, vessel husbandry, liquid cargo transfer, salvage operations, and emergency response.
- ▶ Alpha Pearl of the Orient Maritime Inc. (APOMI), licensed under POEA since 1987, is a recognized leader in crewing and seafarer deployment, providing skilled manpower to global fleets and maintaining the Philippines' reputation as the world's premier source of seafarers.

Vision & Mission

- ▶ Vision: To be a global leader in integrated shipping and manpower services, setting benchmarks in safety, reliability, and sustainability.
- ▶ Mission: To create meaningful opportunities for seafarers while delivering world-class maritime solutions across the globe.

Core Values

- ▶ • Integrity & Trust
- ▶ • Excellence & Safety
- ▶ • Innovation & Proactiveness
- ▶ • Service & Opportunity-Driven Growth
- ▶ • Respect for People & Environment

Our Services

1. Ship-to-Ship (STS) Operations
2. Crew Management & Deployment
3. Vessel Services
4. Maritime Training & Certification
5. Logistics & Project Management
6. Salvage & Emergency Operations

Services offered

Our proven expertise covers a wide range of complex maritime operations:

- **STS with LPG Products Debunkering** - Safe and efficient ship-to-ship operations ensuring compliance and smooth cargo transfers.
- **STS of LPG Cargo** – Between Very Large Gas Carriers (VLGCs) and pressurized LPG vessels.
- **STS Operations with VLCCs & Crude Tankers** – High-capacity transfers managed with precision and safety.
- **Port Clearance for Gas Vessels** – Seamless facilitation of entry and exit permits for specialized gas carriers.
- **Vessel Husbandry Services** – Complete support including bunkering, provisioning, and waste management.
- **Logistics & Coordination** – End-to-end STS service coordination ensuring timely execution.
- **Vessel Takeover from Anchorage** – Smooth transition from anchorage to operational readiness.
- **Inspection & Certification** – Comprehensive inspections with issuance of required compliance certificates.

Why Partner With Us?

- ▶ Decades of combined experience (since 1987 & 2000)
- ▶ Seamless integration of manpower and technical operations
- ▶ Global reach across Asia, Middle East, and Europe
- ▶ Strong compliance with IMO, MLC, ISM, and national regulations
- ▶ Proven track record of innovation in maritime challenges
